Membership Appeal

Dear Friend –

I would like to invite you to join the Landmarks Society of Greater Utica.

Since its inception in 1974, the Society has been the leading voice for the preservation and restoration of historic, irreplaceable buildings, districts and sites. We spearheaded the efforts to preserve Old Main and Union Station among others. We now own and are renovating two 19th century mansions at Rutger Park. Our bi-monthly newsletter highlights the Society's many programs and accomplishments during the past year; most notably, a 50% growth in membership and the renovation of the first floor of #3 Rutger Park.

During 2014, our goals include further broadening of our membership and continued renovation of our Rutger Park properties so that they may be used for social and educational events. I appreciate your support of and commitment to the mission of the Landmarks Society.

Sincerely yours,

Lou Parrotta

Secretary

Our Mission is to promote the preservation and restoration of historically and architecturally significant buildings and sites. Through projects, community education, advocacy, marketing and planned activities, the Society engages its' members, partners and the community in preserving the past and protecting the future.
