

**“Iconic is Utica’s premier restaurant and bar located in Utica, NY inside the DoubleTree Hotel Utica. The Hotel Utica, built in 1912, was the premier hotel in Central New York for decades. The hotel hosted many notable figures in American history, including Presidents Roosevelt and Taft, Mickey Mantle, Johnny Cash, Rita Hayworth, and Amelia Earhart. The bar wall displays photos of some of the hotel’s renown guests. The hotel, restaurant, and bar were completely renovated in 2017. The inspiring 1912 architecture was refurbished and the space was updated with contemporary decor creating a unique ambiance that is unmatched in the area.”**
